Who We Are

LSPedia provides SaaS solutions to the pharmaceutical industry. Manufacturers, wholesale distributors, dispensers, and healthcare providers partner with LSPedia to make, move, track, verify, and protect the drug products in their care for patient safety.

LSPedia is different because our solution potential is limitless. Built with user efficiency, automation, and data security at their core, our solutions are transforming compliance and supply chain efforts. LSPedia's OneScan, RxChain, and Investigator technologies enable error-free and keyboard-free capabilities for ASN, EPCIS, VRS, issue tracking, and interoperability.
